PRESS RELEASE

September 14th 2012

ITA 4159 SKIPPED BY DANIELE SARAGONI WITH ACHILLE PAZZAGLIA OF THE YACHT CLUB CESENATICO CLAIMS THE EUROPEAN TOPCAT CHAMPIONSHIP 2012 CATEGORY K1 IN DOMASO

Domaso September 2012 - Final day of competitions for the TOPCAT fleet on Lake Como engaged in the European Championship 2012 category K1 and the International Championship 2012 category K2/K3. The 80 competing boats representing 9 nations (Austria, Germany, Switzerland, Ukraina, Slovenia, Italy, Poland, Hungary, Latvia), and grouped in three different categories K3 - 16 feet, K2 - 17 feet e K1 - 19 feet, have been competing till the last possible minute in the racing area in front of Yacht Club Circolo Vela Canottieri Domaso, organizing the event in collaboration with the Town of Domaso and the local touristic accommodations.

The final ranking for the event sees as category K1 winner ITA 4159 skippered by Daniele Saragoni with Achille Pazzaglia of the Yacht Club Cesenatico followed by GER 3648 of Normann Strack with Sabine Strack of the HSC, third place for GER 4117 of Ingo Gebhardt and Claus Luger of SFW.

For the International TopCat Championship 2012 category K2/K3, both podium are fully german; for the category K2 the first place goes to GER 2403 with Robert Zank and Tilo Bethke of WSC, followed by GER 2474 steered by Ralf Zank with Ronald Zank of WSC and the third place goes to GER 2490 with Bernd Brechlin and Normen Luebeck of SSV; while the first place in category K3 goes to GER 898 skippered by Erich Brandspetter of SEFSTA, followed by GER 887 with Mike Glueckstein of SFW and last but not least, GER 932 with Lorenz Buchler of CSCM.

The 8 races sailed over 5 days, starting from Monday September 10th to Friday September 14th 2012 (seven races for category K2/K3) have constituted sufficient series to validate the regatta. The week has been characterized by variable weather and wind conditions, that have in any case permitted most of the days to sail the two daily races as per official program.

Massimo Bernasconi, Sport Director of Circolo Vela Canottieri Domaso is very satisfied and commented on the level of the competition: "This fleet, which represents 9 nations, has produced a battled championship with several acrobatic performances, despite difficult weather and wind conditions. I hope to see very soon the TopCat fleet to sail again in our racing area".

The official prizing ceremony closes this important event, organized by Circolo Vela Canottieri Domaso with the sponsorship of the Lombardy Region, the Town of Domaso and Consorzio dei Laghi. The CVCD regatta calendar continues from Friday 21st September 2012 to Sunday 23rd September 2012, with a series of competitions reserved to the J24, H22 and Miniatura classes.

The TOPCAT is a catamaran type of boat, acrobatic and amusing with a crew of one or two sailors.
